

**ROSE MCGOWEN**

WE FIGHT  
WE FIGHT  
EVERYDAY  
BUT WE CAN'T SEEM TO  
KILL 'EM ANYWAY

THEY COME  
THEY COME  
THEY'RE AFTER US!  
HUNDRED, THOUSAND,  
MILLION  
HUNGRY FOR US

NO **PSYCHOLOGY**  
NO **PHILOSOPHY**  
NO **APOLOGY**  
JUST BLASPHEMY

FIRST SHE **TAKES US**  
THEN SHE **SAVES US**  
THEN SHE **TRAINS US**  
THEN SHE MAKE US GO!

*WE FIGHT FOR HER!*

*ROSE MCGOWEN*

SHE'S MASTERFUL  
WITH A SWORD  
HER WEAPONRY SKILLS  
CAN'T BE IGNORED

SHE LOVES TO FIGHT  
WITH HER FISTS  
SHE CASTS A SPELL  
AND BATTLES WITH WIT

BUT THE **HORDES COME**  
THEY SMELL **FRESH**  
**BLOOD**  
GETTING **NEAR US**  
THEY WANT TO EAT US

SO WE **SHOOT THEM**  
AND WE **SPEAR THEM**  
THEN WE **LEAVE THEM**  
BECAUSE WE FEAR THEM  
GO!
